Welcome!

The T. Leroy Jefferson Medical Society is delighted to continue a great partnership with Inlet Grove Community High School in presenting this wonderful event. We are also delighted to have our distinguished colleague, Dr. Dale Okorodudu, as our keynote speaker. This symposium will provide guidance for students who are interested in pursuing careers in healthcare, science, and related fields. Again, we welcome you and we look forward to providing you with an engaging experience.

Most Sincerely,

Youth Services Chair and Past President

About T. Leroy Jefferson Medical Society

T. Leroy Jefferson Medical Society is made up of dedicated healthcare professionals whose mission is to improve the health and wellness, access to medical care, academic and career opportunities, and the quality of life for underserved populations through the provision of healthcare, education and youth development services.

About Inlet Grove High School

We are an A-rated conversion charter school with less than 800 students. Our smaller classroom size fosters student achievement and educational growth. We offer full choice career academy training and industry certifications in a host of high demand professions. Our graduation rate is over 95% and all are accepted to college or military service.

Keynote Speaker

Dr. Dale Okorodudu

Dr. Dale Okorodudu (a.k.a. Dr. Dale) is an award-winning physician, speaker, and best-selling author. His mission is to help others live up to their God-given potential. He is best known as the founder of Diverse Medicine and Black Men In White Coats.

Dr. Dale Okorodudu

As a sought after public speaker, Dr. Dale delivers transformative experiences to audiences and moves them to real action. His influence and impact on society have been recognized by prominent media outlets such as NPR and NBC's TODAY Show.

Dr. Dale Okorodudu draws from the lessons of parents who strategically and successfully guided their children to become medical doctors, without forcing it upon them. It turns out that for many of these parents, it really wasn't that difficult.
