TLJMS Veterans Outreach Project

T. Leroy Jefferson Medical Society, Admiralty Home Health Care, and A Better Way Home Care are honored to serve veterans and their spouses who have given so much to our country!

- Are you a veteran or spouse who could use some help at home, i.e. dressing, cooking, eating, bathing, toileting, transferring, light housekeeping, laundry, skilled nursing, therapy, etc.?
- Do you know a veteran or their spouse who can use support in their home?

WE CAN HELP!

We help veterans AND their spouses who qualify to receive VA healthcare benefits and/or a special program called Aid & Attendance that may pay for their home healthcare services.

Please call Craig at 561-202-1266 for more information
